Join us to devise exciting possibilities for a dynamic, innovation-driven company that is focused on nurturing strong managers, celebrating diversity, and pursuing a responsible, sustainable business.

Come visit Japan and one of the world's fast-growing companies

ABOUT GMP

- | The GMP is a 5-day intensive business study program in Tokyo, in which you get to visit our head offices and stores, and study a company with global business operations first-hand.
- | Together, you'll consider specific business challenges through sessions with individual market specialists and senior managers, debate solutions in teams with other talented international students, and present your conclusions to members of the board.

SAMPLE FOCUS TOPICS

- | Global Customs and Customers
Powerful global change along with UNIQLO's revolutionary new materials and clothing concepts have transformed lifestyles over the past 20 years. What lies ahead in the next two decades?
- | Innovative Sustainable Models
Developing a customer needs-driven, responsible business operation model that makes, transports and sells only what is necessary.

LEARN HOW TO

- | Develop international vision and a desire to become global business professionals.
- | Ensure businesses grow in partnership with society and social needs.
- | Interact with senior management and tackle today's latest business challenges.
